Letter to the Community

Dear Friends of Greenleaf Family Center,

On behalf of our Staff, Board of Trustees and Volunteers, we would like to thank everyone in our community who has supported the services and programs of our organization during the past year. 2010 was a year that our staff faced with a sense of solidarity and commitment to families, a year where our Board dealt with numerous issues related to the financial health of the organization and a year where the number of clients increased in nearly every program we offer. Eighteen different services, thousands of success stories, families strengthened. This is our goal and our purpose.

We were pleased to honor Brian Moore with the Betty Dalton Community Service Award. An attorney at Roetzel and Andress, Brian is a tireless volunteer in the not for profit arena and a true supporter of families in need. In June 2010, Jeffrey Herold (PNC Wealth Management) became the Chair of our Board of Trustees, succeeding Patricia Shallahamer (Akron Children's Hospital), thus continuing our strong and capable leadership.

Greenleaf Family Center has been an integral part of this community since 1912 and will continue to further the mission of providing counseling, education and support to as many individuals and families as possible. We do this because of your help and your belief in the value of our organization. Strengthening our community, one family at a time, will continue to guide us and provide the direction for our future.

Thank you again.

Sincerely,

Judy Joyce
