Community Survey Invitation

The Council on Accreditation (COA) is conducting an accreditation review of Greenleaf Family Center and seeks your assistance. COA is a national organization that sets standards for quality service and sends teams of experienced professionals to visit organizations to see whether they meet these standards. A very important part of this review consists of asking stakeholders within the community about their experience with, and impression of, our organization.

You may respond as a general observer of how our organization is viewed in the community, as someone with direct experience with our organization, or from both perspectives. COA requests that, if possible, you select an individual to complete this survey that has had the most direct knowledge of, or experience with, our organization.

To start the survey, call the toll-free number contained below, or follow the link below to take the survey on-line. Note: When you are prompted, please enter the organization code below.
